

REACH statement

Dear customers.

The EU Chemicals Regulation (EC) No. 1907/2006 (REACH Regulation) on the **Registration, Evaluation, Authorization and Restriction of Chemicals** has been in force since June 1, 2007.

According to the REACH Regulation, **substances of very high concern (SVHC)** are identified and published in the SVHC list every six months - the last time on 21.01.2025 with currently 247 such substances.

According to REACH Art. 33 (1), we as importers and wholesalers are obliged to inform our customers if the products we trade contain substances on the SVHC list with > 0.1 M% (mass percent).

You can access the current list here: <https://echa.europa.eu/de/candidate-list-table>

We hereby declare:

HK-Pack's quality management regularly checks all updates to the SVHC list and, together with our producers, ensures that our/your products are manufactured in compliance with regulations at all times.

The products, sub-products and packaging delivered to you do not contain any substances with > 0.1 M% on the SVHC list of 21.01.2025.

Best regards

Your HK Pack team
